

myGeeKy

Your geeky friend who helps you grow, quietly.

On your phone and as a small panel on your computer. It reads your field, shows you what matters, and only suggests: it never acts for you.

Rising skills
what your field is starting to use, before everyone else

Protocols
a step-by-step road map for any skill, reviewed for your field

Quiz
every answer quotes the source that proves it

Jobs and scholarships
verified positions and funding, checked by hand

Seasons
the yearly calls: conferences, scholarships, schools

Play with GeeKOc
fourteen short games made from your own field
